Persian Nero Marquina Marble

Introduction

Persian Nero Marquina Marble is a premium natural stone renowned for its deep black background adorned with delicate white or light gray veining. This sophisticated marble, sourced from the finest quarries in Iran, offers a luxurious and timeless appeal, making it an ideal choice for high-end interiors, architectural designs, and bespoke installations.

Key Features

- **Rich Black Aesthetic** - A striking deep black base with intricate white or light gray veining.
- **Timeless Sophistication** - Perfect for modern and classical interior applications.
- **Durability & Strength** - High compressive strength and excellent abrasion resistance.
- **Versatile Applications** - Suitable for countertops, flooring, wall cladding, and decorative elements.
- **Distinctive Natural Beauty** - Each slab has unique veining, ensuring one-of-a-kind installations.
